“As One Door Closes, Another One Opens...”

There is never a good time to do this, more so as it involves the dispersal of the families that have brought international recognition to Summerhill. When our former stud manager John Slade, was assisting with our mating plans last July, he was charmed by the layered evolution of our broodmares through generations of the leading stallions Northern Guest, Home Guard, Liloy, Rambo Dancer, National Emblem, Fard, Kahal and Muhtafal, all of them “top ten” luminaries, several of them national champions in one category or another.

While this is an emotional time for all of us, it’s an opportune one for our colleagues. Our good friend Graham Beck, laid the foundations for his stellar successes at Highlands and Maine Chance through his legendary “raids” on their stock, as well as those of the Noreen, Scott Bros. and Hartford studs. For our own part, the partnerships we’d assembled in 1987 were dispersed on their maturity in 1998, and we were left with just 26 mares on the farm; seven years later, through our re-investment in those families, we’d won the first of ten national premierships. Famously, the dams of Jet Master, Royal Chalice, Angus and Pierre Jourdan, among many others, were acquired right here, as was Varsfontein’s “Blue Hen”, Secret Pact.

While Summerhill’s successes owe much to the stallions that’ve decorated our barn over the decades, it’s arguable that we’ve never been better served than in the outstanding young sprinter-milers currently doing duty here, Act Of War, Capetown Noir, Willow Magic and Linngari; they comprise the bulk of the covering sires in the catalogue.

Of course, occasions like these represent a chance not only for our fellow prospective breeders to acquire quality breeding stock; history tells us that among the weanlings, there are likely to be some famous athletes, and this offering represents an irresistible opportunity for anyone wanting to get first bite at an elite racehorse of the future, or a speculative dip into a genetic “pipe” which has delivered up more championships than any other in modern times. That’s precisely how the celebrities Jet Master, Angus, Imbongi, Paris Perfect and Hear The Drums commenced their rise to stardom.

If we can be of any help to you in traversing the catalogue or arranging accommodation, please feel welcome to phone me or my staff any time you wish. Either way, it would be a personal compliment to see you here on “Sale” day.

6.1. Subject to the provisions of 6.3 below, the highest bidder whose bid is accepted by the auctioneer, shall be the purchaser of the horse; provided that, if a dispute arises between two bidders in respect of the sale of the horse, the auctioneer may, prior to the conclusion of the sale, and in his sole and absolute discretion:
   6.1.1. re-auction the horse in dispute; or
   6.1.2. declare who the purchaser of the horse is.

6.5. If, after the fall of the hammer, it transpires that the person to whom a horse was sold was not, at the time of such sale, in possession of a valid buyer’s card, or has exceeded his credit limit, that sale, in the discretion of the convenor, may be declared null and void and the horse shall immediately be reauctioned.
7. **EXPORT AND IMPORT REQUIREMENTS**
The purchaser of any horse requiring to be exported shall be responsible for ensuring that all requirements necessary for the export of such horse are met. The purchaser shall not be absolved from complying with his obligations, in particular his payment obligation, in terms of the Conditions by virtue of an allegation of impossibility or performance or force majeure in regard to compliance with the necessary requirements.

8. **DOMICILIUM**

9. **RISK, OWNERSHIP AND MAINTENANCE COSTS**

9.2. Ownership in a horse shall only pass to the purchaser upon payment of the debt. Until the debt has been paid in full, the purchaser shall not be entitled to have the horse registered in his name or that of his nominee.

9.3. All risk in respect of a horse to be sold at the sale shall remain with the seller until sold to the purchaser on the fall of the hammer.

9.4. The purchaser shall, until such time as the debt has been paid in full, keep the convenor advised of the physical address at which the horse purchased is being kept and the convenor shall have the right to inspect the horse at any stage prior to payment of the debt.

10. **PARTICIPATION REQUIREMENTS AND PAYMENTS**
10.1. No prospective purchaser shall be authorised to bid at a sale unless and until he is in possession of a valid and current buyer’s card issued by the convenor in respect of the sale in question. Completion of such application shall be deemed to constitute acceptance by such purchaser of the Conditions.

10.2. The convenor shall only issue a prospective purchaser with a buyer’s card on the following conditions:
   10.2.1 the convenor will be entitled to approve a credit limit;
   10.2.2 the prospective purchaser shall not be entitled to exceed the credit limit in respect of purchases at the sale. Once that limit has been reached, the buyer’s card shall be withdrawn unless and until the convenor approves, in writing, an increased credit limit;
   10.2.3 should a purchaser exceed the credit limit, the convenor shall be entitled, but not obliged, to apply the provisions of 6.5

10.3. Where a horse is purchased by any person not a South African citizen or permanently resident in South Africa, the purchase price shall be secured by a commercial letter of credit in a form acceptable to the convenor.
10.4. No horse may be removed from the sales complex before a release form in respect of that horse has been issued by the convenor. Before the release form is issued, the convenor may require the purchaser to sign and/or lodge such document as the convenor deems necessary, for example a promissory note and/or application for credit and/or a commercial letter of credit and/or another suitable form of security, together with such approval as may be deemed necessary in the circumstances.

10.5. The purchaser of a horse shall be obliged to pay any VAT payable in respect of such horse.

11. LEGAL REMEDIES, REPOSSESSIONS AND COSTS
11.1. The purchaser agrees and acknowledges that in the event of:
   11.1.1 the purchaser materially breaching any condition contained in the Conditions;
   11.1.2 the purchaser failing to pay the debt in full within 30 days from the date of the sale;
   11.1.3 the purchaser dying;
   11.1.4 the purchaser’s estate being placed under any order of provisional or final sequestration, provisional or final winding-up or provisional or final judicial management as the case may be; then and in that event the convenor or the seller shall, without notice and without detracting from any other remedies which may be available, be entitled to summarily cancel the sale of any horse to the purchaser (in respect of which monies are owing by the purchaser) and to repossess such horse (“the repossessed horse”); or to claim specific performance of all the purchaser’s obligations whether or not such obligations would otherwise then have fallen due for performance; in either event without prejudice to the convenor or the seller’s rights to claim damages.

11.2. Notwithstanding the cancellation of the sale, the convenor or the seller shall be entitled to retain:
   11.2.1 any sums paid by the purchaser in respect of the debt; and/or
   11.2.2 the deposit or any portion thereof which was offset against the purchase price, in reduction of damages, if any, which may be suffered by the convenor and/or the seller by reason of the breach by the purchaser and the resultant cancellation of the agreement of sale.

11.3. Should the convenor or the seller elect to cancel the sale and repossess the horse sold, they shall be entitled, but not obliged, to attempt to resell the repossessed horse at any future sale. If the repossessed horse is sold, the purchase price, if and when paid in full, shall be used in the reduction of the shortfall, if any, which may have resulted by reason of the breach by the purchaser and resultant cancellation of the agreement of sale. The convenor shall also be entitled to resell in absentia any horse in respect of which removal or repossesssion has been obstructed or refused.
11.4. In the event of the convenor or the seller instructing attorneys to collect from the purchaser any amount owing, the purchaser agrees to pay all costs on the scale as between attorney and own client, including collection charges, whether or not summons is actually issued.

11.5 The purchaser and the seller consent to the jurisdiction of the Magistrate’s Court in terms of Section 45 of the Magistrate’s Court Act No. 32 of 1944 (as amended) having jurisdiction under Section 28 of the said Act, notwithstanding that the claim may exceed the normal jurisdiction of the Magistrate’s Court as to the amount. The convenor or the seller shall, in its discretion, be entitled to proceed against the purchaser in any other court of competent jurisdiction, notwithstanding the aforesaid. The purchaser specifically consents to the jurisdiction of the Magistrate’s Court for the district of Mpofana (Mooi River).

11.6 No relaxation or indulgence granted to the purchaser by the convenor at any time shall be deemed to be a waiver of any of the convenor’s rights in terms hereof, and such relaxation or indulgence shall not be deemed a novation of any of the terms and conditions set out herein or create any estoppel against the convenor.

11.7 Should a dispute arise regarding the purchase of a horse, the purchaser shall be obliged, if required to do so, to return the horse at his own expense to a party nominated by the cancelling party, being either the convenor or the seller. The nominated party shall maintain the horse until the dispute has been resolved on condition that the purchaser shall be liable for the costs of stabling and maintaining the horse, which amounts he shall pay to the nominated party on demand.

11.8 No right of set-off between a purchaser and a seller shall be valid or recognised by the convenor, and shall not impinge on the convenor’s rights as defined herein.

11.9 Where any person claims to have a lien over any horse in respect of which the purchase price has not been paid, the convenor or seller has the right to settle such lien as it deems fit to recover possession of the horse. Any monies paid in the discharge of any lien shall form part of the debt which the convenor or seller shall be entitled to recover from the purchaser in addition to any other amounts which may be payable.

12. **AGENTS**

12.1. Any person acting as an agent on behalf of a principal:

12.1.1 may be required, prior to his participation in the sale, to establish to the satisfaction of the convenor, his authority to so act and, if required, to furnish the necessary documentation in substantiation thereof;

12.1.2 shall, if he is the purchaser, disclose the name and address of his principal at “the fall of the hammer”;

12.1.3 agrees to be bound by the Conditions;

12.1.4 shall be jointly and severally liable for the timeous fulfilment of all the obligations of his principal in terms of the Conditions, renouncing the benefits of division and excussion.
12.2. Notwithstanding anything to the contrary contained in the Conditions, any person acting on behalf of another, shall be deemed to have full legal capacity to do so.

13. COMMISSIONS
13.1. Subject to the remaining provisions of 13, the seller shall be liable to pay any such commission as may fall due to the convenor plus VAT on the price realised in respect of any horse accepted for the sale.
13.2. Acceptance of a horse for sale shall be deemed to have occurred upon the receipt of details by the convenor relating to such horse for its sale catalogue.
13.3. A commission shall be payable on the price realised if the horse is sold by auction or private treaty by the convenor, the seller, his agent or representative, at any time during the period commencing upon acceptance of the horse and concluding 30 days after the sale has been held or the date upon which the sale had been advertised to be held.
13.4. The minimum price that will be accepted for any horse shall be, in the case of a mare R15,000 and in the case of a weanling, R10,000 (excluding VAT).

14. RIGHTS AND OBLIGATIONS OF A SELLER
14.1. The seller of a horse shall be entitled to receive from the convenor within 35 days of the last day of the sale, payment of the purchase price realised, less commissions and other charges deductible in terms of the conditions;
14.2. The convenor shall be entitled to deduct, in addition to the amounts referred to in 14.1, any additional amounts due to the convenor, from the proceeds of the sale of any of the seller’s horses which have been entered, whether the seller is acting as a principal, as an agent, or a partner, by the seller, any of his principals, or any of his partners.
14.3. The convenor shall be obliged to pay any amount which is due to the seller directly into the bank account nominated by the seller on the prescribed form;
14.4. Notwithstanding anything contained herein, the convenor shall be obliged to pursue payment of the debt by the purchaser and, in the process, exercise all the rights of ownership in respect of the horse sold. For the purposes of the foregoing, the seller, as owner or duly authorised agent of the owner:
   14.4.1 hereby irrevocably authorises the convenor to exercise all status, rights and powers that the owner may exercise, including, but not limited to the protection and enforcement of ownership, the right to complete and sign any change of ownership form and the right to institute any legal proceeding regarding repossession of the horse;
   14.4.2 cede to the convenor if called upon, all right, title and interest in and to all remedies that the seller may have in law against the purchaser in respect of the sale of the horse in question.
14.5. The seller acknowledges that the convenor shall not be liable for any loss incurred by the seller as a result of the breach of the purchaser of the Conditions. In addition, the convenor shall not be liable for any loss or damages sustained by the seller as a direct result of the convenor’s omission or refusal, for whatever reason, to enforce any of its or the seller’s rights in terms of the Conditions, or as a result of granting the purchaser credit facilities.
15. **THE CONVENOR’S ROLE**
The purchaser and the seller acknowledge and agree that, save as is otherwise provided for in the Conditions, the convenor acted at all times as agent only. Accordingly, any remedy which the purchaser may have in law shall lie against the seller and any remedy which the seller may have in law shall lie against the purchaser, provided that nothing contained in this clause shall affect any of the convenor’s rights in terms of the Conditions.

16. **CONVENOR AND SELLER NOT LIABLE FOR ANY LOSS OR DAMAGE**
No person who attends a sale or who is present on any property under the control of the convenor shall have any claim of any nature whatsoever and however arising (including, but without limitation to the aforesaid, any claims for damage to or loss or destruction of any horse or other property or injury to such person), against the convenor or the seller arising out of any cause whatsoever.

17. **RIGHT OF ADMISSION**
The convenor reserves the right of admission and shall be entitled at any stage to require any person to vacate with immediate effect any premises under its control.

18. **NO VARIATION EXCEPT IN WRITING**
No variation, alteration or cancellation not governed in the sales catalogue, shall be of any force and effect unless reduced to writing and signed by the convenor or the seller.

19. **AGREEMENT BINDING ON PARTIES**
This agreement shall be binding upon every seller and every purchaser and under no circumstances may it be cancelled, set aside, varied or altered in any manner unless reduced to writing and signed by duly authorised employee or agent of the convenor or the seller.
